

## ProBlast General Pricing Guideline

### How Much to Charge?

**Non- Abrasive** = \$165 - \$200 per hour

**Abrasive** = \$125 - \$145 per hour

**Smoke / Fire** = \$1800 - \$2500 per day >> able to do about 1500 sq ft per day \$1-\$2 per sq ft  
(ALWAYS A MIN CHARGE)

**Mold** = \$2000 - \$5000 per day >> able to do about 1200 sq ft per day (\$2.50-\$5sq ft) ALWAYS  
A MIN CHARGE)

**Log Home** = \$1.85 - \$2.50 sq ft >> able to do about 2000 sq ft per day

**Auto** = depends on how fast paint comes off . estimate \$600-\$1500

Non abrasive price for exterior shell, abrasive for frames inside trunk engine compartment rust etc..

**Marine** = starts at \$20 per linear foot per side

### Budgeting for Projects: These prices are high so that you can be safe in costing

- Diesel for compressor = about \$10 per hour
- Compressor rent or own budget as though you always rent at \$100 per day
- Media price at abrasive \$10 per bag Non abrasive \$30 per bag (2 bags per hour)
- Labor: guy at end of hose (blaster) and one helper
- Mobilization charges how much to get to the job, do you need to stay overnight food etc.
- Soft costs, monthlies, insurance, rent loan payment etc.
